DEAR MR. COMMISSIONER:

On December 19, 1975, the Chairman, Committee for the Implementation of Textile Agreements, directed you to prohibit entry of cotton and man-made fiber textile products in certain specified categories, produced or manufactured in the Republic of China and exported to the United States during the agreement year which began on January 1, 1975, in excess of designated levels of restraint.

The Chairman further advised you that the levels of restraint are subject to adjustment.<sup>1</sup>
